ORDER:

The CTE in his letter third read above has stated that according to the Revised Special Rules for APTES issued in G.O.Ms.No.178, H.E (TE.2) Deptt., Dated: 09-12-2005, a Master's Degree in Engineering is the qualification prescribed for promotion to the posts of Head of Section in Engineering Subjects and Principals of Government Polytechnics; therefore, staff members who joined with a Degree qualification are required to acquire PG degree to qualify themselves for promotion to the posts of Head of Section as well as Principals of Government Polytechnics.

2. Further, the CTE has stated that the Polytechnic Lecturers Association has represented that permission to allow staff to undergo one of the above programmes is not likely to hamper academic work in the institution because the Teachers are likely to attend "study spells" during Summer Vacation and additionally, there would not be any financial burden on the Government, as they would meet the expenditure on their study. The study period for the above programmes is more than 6 months (33) days in Winter and Summer for three years that is total period of 198 days in respect of M.Tech (Modular Programme) in Chandigarh and two months during Summer Vacation for four years that is total period of 240 days in respect of M.Tech (SSS) offered by JNTU, the study spells are scattered over a span of 03 & 04 years respectively. Therefore, the Commissioner of Technical Education has requested the Government to examine the request of the Association for inclusion of the above programmes in the list of Authorized courses of Instructions in the Annexure under FR 9(6)(b)(i).

3. Government after careful examination, have agreed to the proposal and order that the following programmes shall be included in the Annexure-I under FR 9(6)(b)(i) in the list of authorized courses of Instructions/ Training identified in G.O.Ms.No.383, Finance Department, Dated: 29-08-1972.

1. Study Spells of (33) days each in Summer and Winter i.e. June and December every year for 3 years as (total period of 198 days or say 06 months and 12 days) under M.Tech (Modular) Programme offered at NITTTR, Chandigarh.
2. Study spells of (2) months each during Summer Vacation for (4) years under M.Tech (SSS) offered by Jawaharlal Nehru Technological University.

(P.T.O)

4. The Commissioner of Technical Education, Hyderabad shall take necessary action in the matter accordingly.
5. Necessary amendments to FRs will be made in this regard by the Finance (FR.I) Department separately.
6. This order issues with the concurrence of Finance (FR.I) Department vide their U.O.No. 27425/428/FR.I/08, Dated: 19-09-2008.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)

ASUTOSH MISHRA
